

2014-2015 SUNDAY SCHOOL REGISTRATION

The new ecclesiastical year and the beginning of Sunday School are approaching quickly! Sunday School will begin on Sunday, September 7. Please be sure to complete and submit the Sunday School Registration Form for the 2014-2015 school year!

- Parents and Sunday School students are asked to arrive at Divine Liturgy on time.
- Sunday School students are asked to sit with Sunday School class in the first few rows, near the choir.
- Sunday School students who serve in the Altar are now asked to do so every Sunday, provided that they have arrived to Divine Liturgy on time. After Communion, Alter boys scheduled to serve that week will remain in the Altar, while those not scheduled are asked to proceed to their Sunday School lesson.
- Once Holy Communion has been distributed and those who have prepared have received Holy Communion, Sunday School students will proceed with their teachers to class.
- After class, the students will return to Church in order to receive Antidoron from the clergy.

We look forward to seeing you and your children and praying with you and your children every Sunday.
